Very clever lyrics/dialogue. Loved the characters - Abramowitz and Fernsby. Fabulous!

As entertaining an evening as you will find anywhere on the fringe at this year's festival.

What a jolly evening...[Brian Mitchell](#) is a brilliant writer with lots of LOL jokes and [David Mounfield](#) was hilarious, as was [Emma Kilbey](#)... If you need a lift, go see it - you'll laugh out loud.... A sort of UK Mad Men with songs!

Tim Pilcher

98% of the audience said they laughed for at least 79% of the show, and smiled the remaining 41% of the time. Our survey says "it's a hit!"

Tony Barber Fantastic. You deserve to be playing to a full house. This a 'Must See' show. Well done!
